

42nd Annual Dinner and Fundraiser

Association of Indian Physicians of Northern Ohio (AIPNO)

AIPNO is a 501 (c) nonprofit charitable organization founded in 1983 by physicians of Indian Origin from Northeast Ohio. Over the years we have grown to have more than 500 physician members from the area who are dedicated to excellence in healthcare and serving the community they practice within. We host an Annual Gala and Fundraiser to support local organizations in healthcare. These successes have been possible thanks to the generosity of supporters like you, who believe in our vision and share our commitment to making a difference.

As a valued member of our community, we recognize the impact of your contributions and the positive change you help create. Today, we are reaching out to share an exciting opportunity to further our mission. We are thrilled to invite you to the **2025 AIPNO Gala and Fundraiser**, that will help us create a fund that will ensure that our vital programs and services can continue to grow and thrive, benefiting countless individuals and families for generations to come.

This year we wanted to extend our support to a local organization that supports are community in Northeast Ohio. The beneficiary is **The Gathering place**. They provide free programs and services for anyone coping with cancer in their lives. Including the person with cancer, their loved ones and those grieving a loss. Their specialized services include one-to-one support, movement and exercise, nutrition, information and education programs, support groups, wig services, financial and legal consultation. All their programs are free of charge.

The 2025 AIPNO GALA is an evening of celebration, unity and commitment to serve our local community. The event is held on **October 4th 2025, at Landerhaven in Mayfield Heights, Ohio.**

Your gift will be a lasting legacy, providing ongoing support for the programs and services of these organizations, touching the lives of many people in Northeast Ohio, transforming health and well-being for our community.

In recognition of your generosity, we offer several opportunities to honor your contributions. Through underwriting opportunities, you can show your dedication to serve the local people and carve your role in shaping the health and wellness of our society.

This event will also see the unveiling of our Annual Report, a publication that resonates with around 500 practicing physicians in our community. As a sponsor, your recognition will extend beyond the gala, in advertising avenues within our Annual Report.

We would be honored to discuss how your support can make a lasting impact. Please feel free to reach out to us.

Thank you for considering this important initiative. Together, we can ensure that AIPNO continues to inspire Physicians to excel and serve the people of Northeast Ohio. Your partnership is invaluable, and we look forward to the opportunity to work with you in creating a brighter future.

Sincerely,

Palak Shroff, MD
